INDEX

Allergy, gastrointestinal 107
Allergy, gastrointestinal, proctoscopic observations in. 17
Angina pectoris with pain of atypical distribution ... 253
Arthritis, rheumatoid, prognosis in 190
Aspiration lung biopsy, value of in diagnosis 175
Asthenia, neurocirculatory 42
Auricular paroxysmal tachycardia in an infant 167
Biopsy, aspiration, value of in diagnosis 175
Bladder, neurogenic, suprapubic puncture in treatment of 162
Bone, Pagets disease of 139
Bunts Institute 3, 63, 200, 257
Bursitis, acute subacromial, treatment of 234
Cancer of stomach 50
Carbuncle, local use of sulfonamide drugs in 152
Case reports
  Angina pectoris with pain of atypical distribution ... 253
  Aspiration lung biopsy 178
  Auricular paroxysmal tachycardia in an infant 167
  Carcinoma of the stomach 53
  Gastrointestinal allergy 108
  Hyperthyroidism, etc 21
  Irritable colon, its simulation of surgical conditions, etc 69
  Laurence-Moon-Biedl syndrome 236
  Lymphosarcoma of stomach 54
  Menstrual edema with intracranial hypertension ... 202
  Nephrotic syndrome 29
  Otitic pneumococcic meningitis 213
  Proctoscopic observation in gastrointestinal allergy. 17
  Removal of right cerebral hemisphere 94
  Rheumatoid arthritis, prognosis of 195
  Stilbestrol in treatment of ovarian deficiency 40
  Suprapubic puncture in treatment of neurogenic bladder 164
  Total gastrectomy 225
  Umbilical concretions 172
Chemotherapy, efficacy of in pneumococcus infections, etc 218
Chorea, treatment of with typhoid shock 158
Concretions, umbilical 172
Deficiency, ovarian, stilbestrol in treatment of 32
Diabetes mellitus, associated with hyperthyroidism .. 21
Diagnosis of gout 230
Diagnostic significance of increased Q-T interval in electrocardiogram 12
Ear, middle, infections of 5
Edema, menstrual, associated with intracranial hypertension 202
Effect of certain androgens upon red blood cell count and glucose tolerance 79
Electrocardiogram, diagnostic significance of increased Q-T interval in 12
Electrocardiographic changes during induced pain in angina pectoris 253
Fracture of patella, treatment of 154
Frank E. Bunts Institute 3, 63, 200, 257
Gastrectomy, total 225
Gastrointestinal allergy 107
Gastrointestinal allergy, proctoscopic observations in. 17
Glucose tolerance, and red blood cell count, effect of certain androgens upon 79
Gout, diagnosis of 230
Heart disease, arteriosclerotic and hyperthyroid, associated with hyperthyroidism 21
Hormones, sex, and vitamins concerned in reproduction 245
Human red blood cell 111
Hyperthyroidism, associated with obesity, arteriosclerotic and hyperthyroid heart disease, diabetes mellitus, etc 21
Hypovarianism, use of stilbestrol in 34
Infections of middle ear 5
Intracranial hypertension, and menstrual edema 202
Iodine, febrile response to, associated with hyperthyroidism 21
Irritable colon, etc 67
Laurence-Moon-Biedl syndrome 236
Meningitis, otitic pneumococcic, recovery from 213
Menopause, use of stilbestrol in 34
Menstrual edema associated with intracranial hypertension 202
Nephrotic syndrome 27

Neurocirculatory asthenia..... 42
Neurogenic bladder, suprapubic puncture in treatment of.....162
Obesity, associated with hyperthyroidism, etc..... 21
Osteitis deformans.....139
Otitic pneumococcic meningitis, recovery from.....213
Ovarian deficiency, stilbestrol in treatment of..... 32
Pagets disease of bone.....139
Patella, fracture of, treatment of.....154
Physical and mental capabilities following removal of right cerebral hemisphere..... 94
Pneumococcic meningitis, otitic, recovery from.....213
Pneumococcus, in infections other than pneumonia..218
Proctoscopic observations in gastrointestinal allergy. 17
Prognosis of rheumatoid arthritis.....190
Pseudotumor cerebri.....202
Q-T interval, increased, diagnostic significance of in electrocardiogram..... 12
Red blood cell count and glucose tolerance, effect of certain androgens upon..... 79
Red blood cell, human.....111
Removal of right cerebral hemisphere..... 94
Reproduction, vitamins and sex hormones concerned in.....245
Rheumatoid arthritis, prognosis in.....190
Roentgen therapy, present status of..... 85
Stilbestrol in treatment of ovarian deficiency..... 32
Stomach, cancer of, etc..... 50
Subacromial bursitis, acute, treatment of.....234
Sulfonamide drugs, local use of.....149
Suprapubic puncture in treatment of neurogenic bladder.....162
Syndrome, Laurence-Moon-Biedl.....236
Syndrome, nephrotic..... 27
Tachycardia, auricular paroxysmal, in an infant.....167
Total gastrectomy.....225
Treatment of acute subacromial bursitis.....234
Treatment of chorea with typhoid shock.....158
Treatment of fracture of the patella.....154
Typhoid shock, treatment of chorea with.....158
Ulcers, phagydenic, local use of sulfonamide drugs in..152
Umbilical concretions.....172
Undulant fever, possible, associated with hyperthyroidism..... 21
Uveitis..... 58
Vitamins and sex hormones concerned in reproduction 245
Wound infections, local use of sulfonamide drugs in...151
